Opis produktu

Buty Specialized Primo MTB.

With modern styling, extra plush cushioning, and patented.

CECHY:

- Our most cushioned footbed, the BG Plush, is likely the most comfort you'll ever feel on concrete
- All new stiff, yet walk-able outsole is reinforced with an SPD-compatible shank
- Snug lace-up construction with a subtle LaceLock to keep strings out of chainrings
- Reflective heel for improved visibility
- Rubber outsole for confident traction
- Durable full suede leather upper
- SPD compatible
- Approximate weight, 425g (1/2 pair #42)
