Opis produktu

Buty Specialized Sonoma.

A great fitting, multi-purpose comfort shoe with patented Body Geometry technology, SPD compatibility, and a smooth, walkable sole.

CECHY:

- Rubber outsole combined with our midsole plate, which is stiff for efficient cycling, but flexible enough for walking
- Our most padded plush insole for on-the-bike support and off-the-bike comfort
- Secure 3-strap Velcro closure
- Real suede leather and vented mesh upper
- SPD-compatible sole has a smooth, walkable rubber tread
- Reflective toe & heel
- Approximate weight 455g (1/2 pair #42)
